

Set Date for Cycle Races As Sept. 24

Feature to Be 5-Mile Classic for Boys; Plan Awards

Hoping to equal last year's event, the Albany Recreation Department was this week making final plans for bicycle races, to be held Saturday morning, September 24, on Key Route Boulevard. The event is co-sponsored by the Albany Cyclery.

Previously set for next Saturday morning, the event was postponed late yesterday until September 24 because of conflicting activities in the Recreation Department schedule.

Department leaders today expressed hope that this year's event will equal the thrilling five-mile race of last Spring for boys of 14 years and up and indicated that a special effort is being made to sign up high school boys for the main event.

Set for the circular one mile track on Key Route Blvd., the races will open at 10 o'clock in the morning with Ed Howell, Recreation Department Supervisor, acting as starter.

Prizes for event winners will be donated by M. A. Beardsworth of the Albany Cyclery, who has secured tires, carriers, lights and other accessories as awards. Awards will be given winners of the feature five-mile race for boys of 14 years and up, the one mile dash for boys 10-13 years, the mile race for girls and the free-for-all plank race.

Second only to the five-mile race is the 100-foot plank race in which contestants, both boys and girls, will attempt to ride the full length of a narrow plank.

Although the entry list was still small this week, officials expected the final entry list to surpass the 100 stock bicycles entered in the Spring races.

Blanks may be secured at any of the five park and school playgrounds, the offices of the Recreation Department, 850 Masonic Avenue, at the Albany Cyclery, 1247 Solano Avenue. Entrants will be limited to stock bicycles, which may be stripped down.

In charge of the event will be William Anderson, training supervisor of the Recreation Department and former Cycling Champion of Northern Scotland.

Drunk Driver Given 125-Day Sentence Here

Hanson was arrested Saturday morning, August 24, by California Highway Patrol Officers on the East Shore Highway and charged with driving while drunk.

Pleading guilty to a reckless driving charge, N. M. Lewis, 1458 Portland Avenue, was asked to pay a fine of \$100 and serve a 90-day jail term, with sentence suspended, Tuesday morning.

Lewis was arrested Sunday morning after he had driven his car over the curb and knocked down Jack Reynolds, 16, of 672 Spokane Avenue, also damaging property belonging to Mrs. Thomas Veitch, 704 Pomona Avenue when he drove over her hedge and border plants. Sentence was suspended on condition that he pay for all damages incurred. Officers John MacCann and Harry Stevenson made the arrest.

Albany High Holds S.F. Poly to Scoreless Game

Cougars Upset Pre-Game Figures Yesterday On Home Field; Tschanner, Delorifice Lead for Total Yardage

What East Bay and San Francisco grid fans forecast as a "suicide" game, became a moral victory for Albany High School yesterday afternoon when Coach Johnny Ryan's Cougars held San Francisco's Polytechnic High School eleven to a 0-0 score on the home field.

Sparked by Al England, Tony Delorifice and Charlie Tschanner, the Cougars pushed the Polys back and forth on a slow field for four quarters of fast and competent football.

Facing last year's city champions,

the Cougars opened a series of passes early in the 2nd quarter that threatened to put the pigskin over the Polytechnic final stripe. A short pass over the right wing to Villa followed by a second quick throw saw the Cougars drive deep into Poly territory to bring the ball to the 18-yard line. Here the trans-bay rivals held, forcing Albany to a quick kick.

Opening of the second half saw what began to be a touch-down gallop turn into a spectacular run, when Charlie Tschanner snapped up a fumble on his own 23-yard line and lope off for 30 yards. In the next quarter, Tschanner repeated the order in a similar play, packing the ball on a reverse for a 35-yard drive.

A second scoring threat for Albany came during the last few minutes of play when Tschanner, intercepting a long pass opened a drive from near center field which ended on the Poly 15-yard marker. Here Polytechnic High took the hint and intercepting an Albany pass, showed the Cougars what a heavy line can do in a pinch by shoving off for 86 yards in a nine play spurt, landing on the Albany 9-yard line where the Cougars held.

The starting line-ups were as follows:

ALBANY	POS.	POLY
Denas	LER	Beas
Henis	LTR	Lahadene
Briscoe	LGR	McLean
Senior	C	Shoemaker
Schoonhoven	RGL	Larreon
Klein	RTL	Nicholas
Villa	REL	Kilday
Guay (C)	Q	Johnson
Sharlow	LHR	Slattery
Delorifice	RHL	Ramus

City May Face Damage Suit

Probability that Albany's chicken house zoning problem will re-occur again was seen today as attorneys for C. M. MacGregor, Albany builder, announced that suit will be filed next week in a county court against the City of Albany.

Although information concerning the exact nature of the suit was forthcoming, Attorney Carlton Rank of Oakland, representing MacGregor, indicated that it would probably be a recourse to obtain damages suffered by the suspension of building on a property in the stage of construction for C. A. Valterza, Albany poultry dealer, at 937 San Pablo Avenue.

Last week, the City Council, sitting in special session, voted to revoke the permit previously granted MacGregor for construction of the building, and recommended that MacGregor reapply for a new permit. Object of the move, Mayor O. C. Yenne stated, is that by a new application for a permit, the action may be placed before the City Park Planning and Zoning Commission who have previously rejected the problem as outside their jurisdiction.

Police Chief Seeks "Teeth" To Arms Law

Elaboration of Move Made in Letter to Times

Seeking to correct a statement published in the Albany Times last week, Chief of Police Lloyd Jester yesterday forwarded a letter to the Times in which he elaborated on a proposed ordinance regulating use of firearms in Albany.

Previous ordinance covering firearms was a clause embodied in the City Fireworks ordinance, which Jester seeks to give "teeth" to in cases involving criminal and juvenile use of guns.

Fireworks ordinance states "It shall be unlawful for any person to fire or discharge any gun, cannon, rifle or pistol, or firearms of any kind, excepting those designated" as lawful fireworks.

Jester's letter is as follows:
POLICE DEPARTMENT
CITY OF ALBANY, CALIFORNIA
September 7, 1938

The Albany Times
Albany, California.
Gentlemen:

In Re: The Proposed Gun Ordinance.

In the last issue of the Times, in your article accounting for the City Council's meeting of August 29th, you stated that I had proposed an ordinance covering the licensing of guns within the city limits of Albany.

This was, no doubt, a mis-print because no such ordinance was asked for by myself. I had proposed to the Council that they refer to the City Attorney, the present ordinance governing the carrying and possession, also, firing of guns within our City, which is included in Paragraph 13 of our Firecracker ordinance. In that ordinance, I pointed out that we had no separate and distinct law covering this matter and that paragraph 13 of the Firecracker ordinance was inadequate. I, also, stated, and my purpose was, to make it unlawful for anyone to fire a rifle within the city limits, and the carrying of a concealed weapon for unlawful purposes. I asked that in cases where we picked up boys firing rifles in the City limits, that we be given the right to confiscate the offending piece immediately.

I believe this letter will enlighten the people who read the foregoing article and we ask you to print it in its entirety.

Very truly yours,
L. G. JESTER,
Chief of Police

Meantime, the Albany Police Department took a new step toward lowering Department costs and increasing efficiency with the purchase of a motorcycle for use in traffic patrol.

"With the motorcycle," Jester said, "the Police Department is cutting operating expenses from nearly 10 cents per mile, the average prowl car cost, to approximately one-tenth cent per mile."

The motorcycle, Jester added, will be used during the day patrol for pursuit of speeders, and while increasing efficiency and insuring quicker timing and apprehension on Albany's one-mile stretch between city limits, but will also eliminate high repair costs to police cars due to strain from pursuing speeders. Jester also announced that purchase was made last week of a new prowl car, now in use by the Department.

Marked by upsets in preliminary rounds of play, the annual Albany City Tennis Championships will go to final sets this week-end, at Memorial Park, closing Albany's first tourney open to East Bay net stars.

Sunday at 1:30 the winner of the Wildy-Harvey match will meet Ed Lapchis for tournament title, with no pre-match favorite touted. Trophies will be presented to the next two bracketed players.

Last week-end, Lanky Ed Lapchis, six-foot-four Oakland star stroked his way to the finals in strength of a dogged first set in which he dropped Bill Gladman, seeded second, 9-7, 6-2. Lapchis was seeded seventh.

In a second match of the week-end, the limber Oaklander went on toward the finals by defeating unranked Vic Woods 6-3, 6-1.

St. Alban's Auxiliary

To Hold Offering Tea

In 1880 in the old Dutch settlement of New, a movement was started, which has spread until it is now observed by all women of the Episcopalian faith everywhere.

It is the setting aside of a penny upon every occasion the donor has cause to give thanks. These offerings are saved for a while, and then turned over to a special custodian at the church, to be later distributed for home and foreign missionary work.

The quaint old custom will again be observed when members of St. Alban's Auxiliary holds a Thanks Offering Tea on Monday, September 12, at the home of the local custodian, Mrs. Joel Lee on Peralta Avenue.

Then, on Monday, September 19, these offerings will be laid on the altar of St. Peter's Church in Oakland. Another Albany resident who will take an active part in the ceremony is Mrs. W. E. Alger of Marin Avenue, who is custodian of the entire East Bay area.

RIVAL TEAMS MIXED
TO LESSEN FEUD

To somewhat lessen the intense athletic feud between the youngsters of Cornell and Main Schools, an innovation, suggested at a meeting of the school faculties and heads of the Albany Recreation Department, was tried last week on the Marin School playground.

It was brought up at the meeting that during the past few years the feeling of rivalry between the two schools, especially in baseball, had soared to such a point that only the most hardened umpire would venture to officiate at the games.

The new scheme as outlined at the session called for two full baseball teams traveling to the Marin Playground. Instead of Marin playing Cornell two games the teams split up. Four Cornell boys were put on one squad with five members of the Marin ball team. The five remaining Cornell players were placed on a team with the four remaining Marin players. This was done with both squads. The teams dropped their school identity and assumed the names "White Team," "Red Team" and "Green Team."

COMMUNITY PLAYERS
OFFER PLAY, DANCE

In addition to the dramatic production to be presented on the stage of the Cornell School auditorium, Tuesday night, September 27, the Albany Community Players are offering to the people of Albany and their friends, a social dance to immediately follow.
